The StudioPro dance vinyl is specially engineered for dance studios, drama rooms, and art centers, guaranteeing exceptional performance for all soft shoe dance styles, including ballet, jazz, hip hop, modern, and more. We offer two different versions: the standard 3.5mm version, which stands out as the most affordable professional dance floor on the market, and the 5mm StudioPro Plus, an upgraded version that retains all the exceptional characteristics of the standard version while providing the added advantage of extra thickness.

### Features:

The StudioPro/Plus incorporates a foam backing structure, making it an ideal choice for point work while ensuring ease and comfort for your toes.

Great coefficient of friction for optimal slip resistance.

With a hard-wearing resistance layer, it can withstand extended use, ensuring a long lifespan.

<b>Thickness:</b>	3.5mm or 5mm
<b>Size (Length x Width):</b>	10m x 1.8m or 15m x 1.8m
<b>Color:</b>	Black or Grey
