# The Benefits of Choosing X-GLOO™

***X-PERT** - customised X-GLOO™*

Supporting columns constructed from a stretch-stabilised exterior shell and replaceable interior tube.

Inflated just once with air, the X-GLOO™ is ready for days of use.

Fully customised to suit your brand.

<b>PROFESSIONAL</b>	High quality workmanship for indoor and outdoor use
<b>AERODYNAMIC</b>	Stable up to 60km/h (32 knots) wind speed
<b>CUSTOMISABLE</b>	Individually designable advertising medium
<b>INDEPENDENT</b>	One person - pumped up and ready in minutes, anywhere!
<b>FLEXIBLE</b>	Variable Side Elements in various configurations
<b>MODULAR</b>	Unlimited expansion with Tunnel Elements
<b>SILENT</b>	No noise from blowers or fans
<b>DESIGN</b>	Designed according to "form follows function"
<b>DISTINGUISHED</b>	Winner of the red dot design award 2008
<b>MOBILE</b>	Easily transportable with the comfortable Backpack or Trolley
