

INT - 2.11 HMSS 50 00 / 60 00 / 65 00

INTERNAL AUTOMATED ROLLER SYSTEMS

DUAL HELIOSCREEN MOTORISED SMART SYSTEM

APPLICATION HMSS 50 00 / 60 00 / 65 00

The Helioscreen Automated dual Smart Systems allow the discrete installation of two fabric systems onto one window. This enables maximum versatility by providing both a highly effective screen fabric for the day to maximise view and reduce heat along with a full blackout fabric to provide privacy and insulation at night. Effortlessly installed into recesses and pelmets, or stand alone, it provides a streamlined aesthetic look in any interior. Easily integrated into home automation systems, it offers you a multitude of linking solutions. Helioscreens dual motorised smart systems all carry a 5-year warranty.
