ENVY SLIDING SHOWER

The Envy Sliding Shower leaves little to be desired. Designed for custom installation and flexibility, it will give a touch of sophistication to almost any shower space. Your showers will be nothing short of luxurious whether you opt for our ultra stylish semi-frameless or fully framed enclosure. Whatever your budget, install an Envy Sliding Shower and you can be sure its sleek good looks will be the envy of your friends.

FEATURES AND BENEFITS

- Fully framed and semi-frameless options
- An extensive range of configurations
- Narrow frame suits mounting over a bath or narrow hob
- Corner entry capabilities without posts
- Bi-parting entry capabilities
- 90° and 135° return configurations in both semi-frameless and framed options
- Adjustable corner posts to enable return angles for any bathroom configuration
- Full height, dog leg and dog leg (with infill) return options
- Sill-less option for two-panel front showers (wheelchair access)
- 4, 5 or 6mm thick glass options (fully framed showers) and 6mm toughened glass with polished edges (semi-framed options)
- High-quality components available in multiple colours
- Magnetic door close on corner entry or return options
