

Healthcare Projects

Albury Wodonga Health provides public healthcare to around 280,000 people spanning the border of Victoria and New South Wales.

CLIENT

Albury Wodonga Health

LOCATION

Wodonga, Victoria

SCOPE

IntraSpace recently worked with the Albury Campus CSSD to increase the storage capacity of the existing sterile store space whilst ensuring overall compliance to AS4187 and AWH internal OHS requirements.

IntraSpace provided IntraMed Modular Racks, Overhead Track Systems, Transport Trolleys, and related equipment. Not only did the project increase storage space but it also future-proofed Sterile Stores to allow for add-ons when required.

LOCATIONS

Glen Innes, Bomaderry, Casino, Evans Head, Wyong, Narandara

New, rebuilt or upgraded NSW Ambulance stations are part of the Rural Ambulance Infrastructure Reconfiguration (RAIR) program to provide local paramedics with modern, custom infrastructure to meet the emergency medical care needs of communities in regional and rural NSW.

IntraSpace did the fitout of staff change rooms, medical stores, and bulk stores.

The redeveloped ANGAU Memorial Hospital in Lae, Papua New Guinea will provide improved access to integrated health services for the people in nearby regions.

CLIENT

ANGAU Memorial Hospital

LOCATION

Lae, Papua New Guinea

SCOPE

The redevelopment of ANGAU Memorial Hospital in Lae, Morobe Province, Papua New Guinea will deliver a high quality regional referral hospital that provides improved access to integrated health services for the people in nearby regions.

IntraSpace worked closely with Johnstaff and the Australian Government to successfully deliver and install FFE for over 15 buildings on this new hospital site. This included stainless steel shelving, lockers, chairs, bins, and whitegoods. Over seven shipping containers and a span of 3-4 years everything was completed well and on time.

CLIENT

Barwon Health

LOCATION

Geelong, Victoria

SCOPE

Multiple fitouts across all departments.

The new \$630 million Bendigo Hospital is currently the largest regional hospital development in Victoria.

BUILDER

Lend Lease

ARCHITECT

Silver Thomas Hanley

LOCATION

Bendigo, Victoria

SCOPE

IntraSpace assisted Lend Lease and Bendigo Health with the design and specification of all Shelving and Storage Solutions on this project. The scope included approximately 250 rooms and covered all Clinical Storage Systems and Standard Shelving.

- \ 530 IntraMed Wire Shelving Bays
- \ 606 Laminate Lockers
- \ 17 Pallet Racking Bays
- \ 318 Bedside Baskets
- \ 56 M-Span Shelving Bays
- \ 171 FileStor Universal Shelving Bays
- \ 282 IntraMed Modular Racks
- \ 170 Pharmacy Shelving Bays

Calvary Lenah Valley is the largest private hospital in Tasmania. Located in Hobart, it's a leading hospital in Neurosurgery, Orthopaedics, Urology, Gynaecology, Surgical and Medical Care.

CLIENT

Calvary Health Care

LOCATION

Hobart, Tasmania

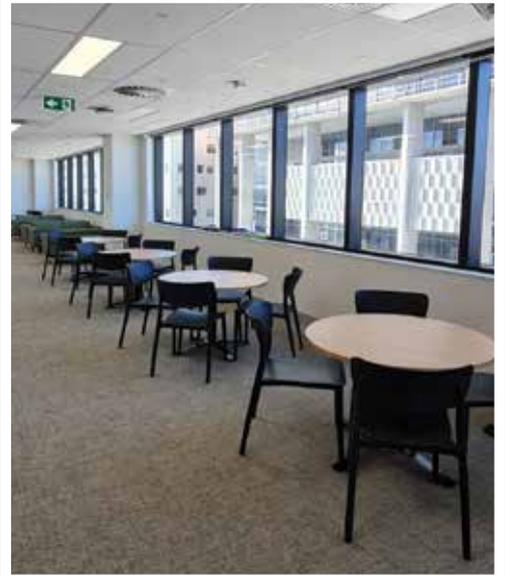

SCOPE

IntraSpace was brought in to consult and design a better solution for the main CSSD Sterile stock room. The room was very cluttered with little to no order and instrument trays were being stacked as well as consumables being mixed in with the trays.

The new design has a dedicated space for Custom Packs, Consumables, Sutures and Instrument trays. Using the Modular Rack solution allows one instrument tray per pullout shelf to fully meet AS4187 requirements.

GenesisCare's new centre at the North Shore Health Hub brings together a team of cancer specific specialists with extensive experience in their areas of expertise.

BUILDER

Erilyan Pty Ltd

ARCHITECT

Kelling Projects

LOCATION

St. Leonards, New South Wales

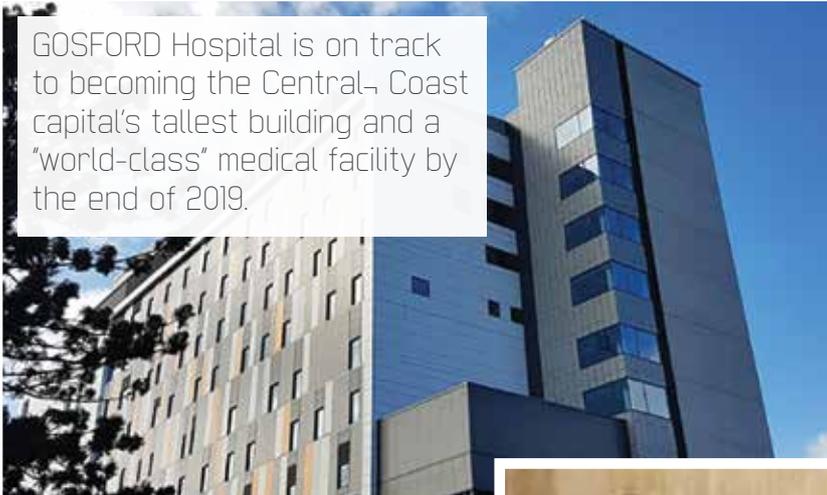

SCOPE

IntraSpace has finished another successful project for GenesisCare – at the North Shore Health Hub

Our integrated fit-out included waiting and consult room seating, office seating, pharmacy shelving & joinery, lockers, wire shelving and more.

GOSFORD Hospital is on track to becoming the Central- Coast capital's tallest building and a "world-class" medical facility by the end of 2019.

BUILDER

Lend Lease

ARCHITECT

MSJ Architects

LOCATION

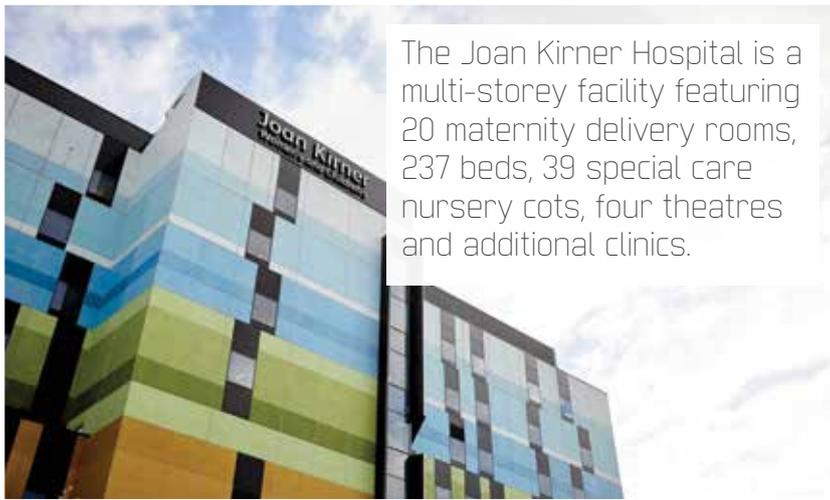

Gosford, NSW

SCOPE

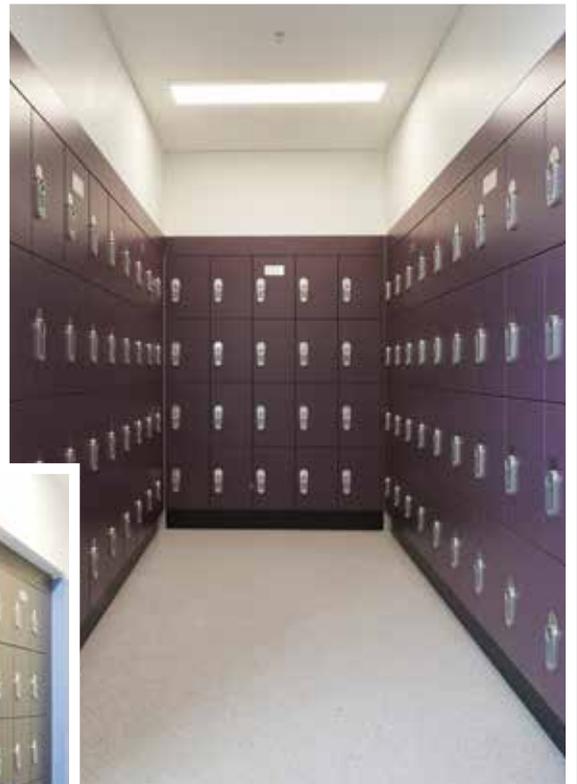

IntraSpace worked closely with Lend Lease to ensure that all aspects of this project ran on time, met all site requirements and deadlines while providing an extensive amount of FF&E for the 10 floors.

Products included lockers and drug safes, a number of custom storage solutions and smaller items such as hooks and mirrors.

The Joan Kirner Hospital is a multi-storey facility featuring 20 maternity delivery rooms, 237 beds, 39 special care nursery cots, four theatres and additional clinics.

BUILDER

Lend Lease

ARCHITECT

Lyons

LOCATION

Sunshine, Victoria

SCOPE

IntraSpace was pleased to deliver the 5th Locker project for Lend Lease. All lockers are fitted with the Digi 4 locks, that allow lockers to be freely used by staff with a 4 digit code. Most lockers were built in with bulkheads and some included the integrated shoe box and bench out the front. All wardrobes were fitted out with IntraMed custom wire baskets on pull out runners.

Knox Private Hospital is one of the leading hospitals in Victoria and has over 30 years of experience in cardiac care and an impressive team of cardiologists and cardiothoracic surgeons.

CLIENT

Healthscope

LOCATION

Wantirna, Victoria

SCOPE

IntraSpace are a preferred supplier for Healthscope and were engaged early in the design process. This was to ensure all storage being provided was 'fit for purpose' and suitable for the required workflows. A thorough site audit and review was done on existing storage in CSSD and theatre areas, particularly on tray storage to ensure the solution increased capacity and also compliant to Australian Standards and Health Guidelines for the Storage of Instrument Trays. IntraSpace also identified suitable existing storage that were repurposed into the new design to provide cost savings to our client.

The Allied health and Counselling services at Melton Health and Community Centre are helping people to better health and wellbeing, enabling healthier lives.

BUILDER

Djerriwarrh Health

ARCHITECT

Billard Leece Partnership Pty Ltd

LOCATION

Melton, Victoria

SCOPE

Djerriwarrh Health Services (DjHS) serves the rapidly expanding population of the City of Melton and Moorabool Shire with sites in Bacchus Marsh, Caroline Springs and Melton.

Products supplied included Electric desks and screens, Task chairs, Waiting room beam seating, Soft seating and Storage cabinets.

The 230 bed Monash Children's Hospital is one of the largest of its kind in the country. It also contains Australasia's first dedicated paediatric Surgical Simulation Centre.

BUILDER

Lend Lease

ARCHITECT

Silver Thomas Hanley

LOCATION

Clayton, Victoria

SCOPE

IntraSpace assisted Lend Lease with the design and specification of all Shelving and Storage Solutions on this project.

The scope included approximately 110 rooms. We were successful with 3 packages- Lockers, Pharmacy Benches and all Clinical Storage.

Mount Hospital is a leading private hospital in Perth. It is well known for providing a broad range of surgical and medical care. Part of Healthscope and shares a commitment to the provision of quality healthcare.

CLIENT

Healthscope

LOCATION

Perth, Western Australia

SCOPE

IntraSpace has been the supplier of choice for many years for fitting out the clinical storage spaces. Of note are the two main Cath Labs and the newer Hybrid Cath Lab where we fitted out state-of-the-art storage solutions.

The Redcliffe Hospital expansion will deliver 204 extra hospital beds, expanded medical imaging, pharmacy, Emergency Department treatment spaces and additional operating theatres.

CLIENT

Metro North Health

LOCATION

Redcliffe, Queensland

SCOPE

This project was delivered through Metro North Health and Human Services. IntraSpace did the upgrade of the theatre staff change rooms. The metal lockers were replaced with new laminate lockers with integrated bench seating and shoe storage. Hanging spaces for the staff use were also added.

The new Royal Adelaide Hospital is an 800 bed facility, planned and designed around a patient-centred model of care.

BUILDER

Hansen Yuncken/Leighton Contractors

ARCHITECT

STHDI
