## Features

- SALTO's stand-alone, battery powered electronic lock and technology, SVN data-on-card and advanced wireless technology with online, real-time capabilities.
- Eliminates lock hardware on the door by encasing all electronic components and battery pack inside the door itself.
- Clean, minimalistic new round light ring design reader.
- Clear dual colour round ring LED light (green/red) to indicate lock authorisation.
- Mechanical privacy option by a mechanical thumbturn. The user can activate the "do not disturb" function just by operating this thumbturn.
- Special blink and beep indication when lock is in privacy mode.
- Declaration of conformity CE.
- FCC/IC conformity.

---
